Voting by proxy

Each Holder has a right to appoint a proxy. Holders are strongly encouraged to submit a proxy vote in advance of the Meeting and to use their right to appoint the Chair of the Meeting as their proxy to attend the Meeting and vote on their behalf.

Holders are advised that:

- the proxy need not be a holder of Shares; and
- if a Holder appoints more than one person to act as their proxy, the appointment of each proxy must specify the Shares in respect of which each proxy is to vote. No Holder may appoint more than one proxy (save in the alternate) to vote in respect of any one Share held by that Holder. When two or more valid appointments of proxy are received for the same Share for use at the same meeting, the one which is last validly received by the Company (regardless of its date or the date of its execution) will be treated as replacing and revoking the other(s) as regards that Share. If the Company is unable to determine which one was last received, neither will be treated as valid.

Holders and their proxies should be aware that:

- proxy holders are required to vote according to the directions given by the Holders that appointed them;
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed; and
- if a Holder who does not give any voting instructions in relation to a resolution, their proxy will have authority to vote or withhold a vote on that resolution as they think fit. A proxy will also have authority to vote or to withhold a vote on any other business (including amendments to Resolutions) which is properly put before the General Meeting, as they think fit.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The Company's audited financial statements, Directors' report and Auditor's report for the financial year ended 31 December 2024 have been mailed to Shareholders. The Company's financial statements are also available on its website (www.asianbatterymetals.com) and on the ASX website (www.asx.com.au).

2. RESOLUTION 1 – APPOINTMENT OF AUDITOR

2.1 General

Resolution 1 seeks Shareholder approval to appoint Johnsons Financial Management Limited (trading as Johnsons) as auditors and to authorise the Directors to determine their remuneration.

2.2 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 – DIRECTORS' GENERAL AUTHORITY TO ALLOT EQUITY SECURITIES

3.1 General

Subject to a limited number of exceptions, the directors of a company must not allot shares unless they have the authority to do so under section 551 of the Companies Act. An authority to allot shares in relation to an English public company must always be granted under section 551 of the Companies Act. Authority to allot shares pursuant to section 551 of the Companies Act can be granted by either a provision in the articles of association of the company or by ordinary resolution passed by the members of the company.

An authority to allot given under section 551 of the Companies Act must specify the maximum amount of shares that may be allotted under it. If the authority relates to the grant of rights to subscribe for shares, it must state the maximum amount of shares that can be allotted under those rights (section 551 (6), Companies Act). The authority must also specify an expiry date, which must not be more than five years from the date the resolution containing the authority is passed.

Once a section 551 of the Companies Act authority to allot has expired, the directors may, if specifically permitted by the terms of the expired authority, allot shares or grant rights to subscribe for or to convert any security into shares pursuant to an offer or agreement made by the company before the authority expired (section 551(7), Companies Act).

Resolution 2 seeks Shareholder approval to authorise the Directors to allot Shares, or rights to subscribe for or to convert any security into Shares, up a total value of £1,000,000 (equivalent to 215,000,000 Shares at par value of £0.00465116279069768 per Share). This represents an additional number of Shares equal to approximately 31.8% of the number of Shares in issue as at the date of this notice.

The Company notes that while the Company remains listed on ASX, any issues of Equity Securities are also subject to compliance with the limitations imposed by the Listing Rules.

If this Resolution 2 and Resolution 3 are approved, prior to the expiry of such authorities, the Company will be able to issue Equity Securities under the Listing Rules on a non-pro rata basis using its 15% placement capacity under Listing Rule 7.1, and if Resolution 8 is approved, a further 10% under Listing Rule 7.1A, without being required to obtain further Shareholder approval.

If this Resolution is not approved, then the Company will not be able to issue any equity securities unless Shareholder approval is otherwise obtained or an exception in the Companies Act applies (if any) and then the issue would also need to be completed in compliance with any limitations imposed by the Listing Rules.

3.2 Board Recommendation

The Board unanimously recommend that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – DISAPPLICATION OF PRE-EMPTION RIGHTS

4.1 General

Under section 561 of the Companies Act, a company proposing to allot equity securities must first offer them to each holder of shares in the company pro rata to his existing Shareholding. This pre-emption right applies to any allotment of equity securities unless either: (i) one of the exceptions set out in section 564 to section 566 of the Companies Act applies or; (ii) the company excludes or dis-applies the statutory pre-emption rights by one of the permitted methods set out in sections 569 to 573 of the Companies Act.

If the directors of a company are generally authorised to allot shares under section 551 of the Companies Act, they may also be given the power to allot shares under that general authorisation as if the pre-emption provisions in section 561 did not apply (section 570, Companies Act). As a disapplication of the statutory pre-emption right under section 570 works in combination with the authority to allot shares under section 551, the special resolutions dis-applying the statutory pre-emption right cross-refers to the corresponding authority to allot.

If Resolution 2 and Resolution 3 are approved, prior to the expiry of such authorities, the Company will be able to issue Equity Securities under the Listing Rules on a non-pro rata basis using its 15% placement capacity under Listing Rule 7.1, and if Resolution 8 is approved, a further 10% under Listing Rule 7.1A, without being required to obtain further Shareholder approval.

If this Resolution is not approved, then the Company will not be able to issue any equity securities unless Shareholder approval is otherwise obtained, or, Resolution 2 is approved and either: (i) the equity securities are first offered to each Shareholder pro rata to their existing Shareholding (ii) one of the exceptions set out in section 564 to section 566 of the Companies Act applies or; (iii) the Company excludes or dis-applies the statutory pre-emption rights by one of the permitted methods set out in sections 569 to 573 of the Companies Act. In addition, while the Company remains listed on ASX, any issues of Equity Securities are also subject to compliance with the limitations imposed by the Listing Rules.

4.2 Board Recommendation

The Board unanimously recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RE-ELECTION OF A DIRECTOR – NEIL YOUNG

5.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Articles of Association sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting. Pursuant to Article 86, one third of the Directors or, if their number is not 3 or a multiple of 3, the number nearest but not exceeding one third, must retire from office at the annual general meeting in every year.

Neil Young, who has held office without re-election since 18 June 2024 and being eligible retires by rotation and seeks re-election.

Further information in relation to Neil Young is set out below.

Qualifications, experience and other material directorships	Mr Neil Young has more than 20 years' experience in senior management positions in the upstream and downstream parts of the energy sector including Elixir Energy Ltd, EY, Tarong Energy and Santos. He has also developed various new ventures in other countries including Kazakhstan, Japan, USA and Mongolia. Mr Young has a M.A. (Hons) joint degree in Economics/Politics from the University of Edinburgh.
Term of office	Mr Young has served as a Director since 18 June 2024.

Independence	If re-elected, the Board considers that Mr Young will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Young that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Young since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Neil Young) recommend that Shareholders vote in favour of this Resolution.

5.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Neil Young will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Neil Young will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

6. BACKGROUND TO RESOLUTIONS 5 TO 7

6.1 General

As announced on 24 February 2025, the Company received firm commitments from existing and new investors, including a number of institutions (**Placement Participants**), to subscribe for 88,199,937 CDIs (**Placement CDIs**) at an issue price of \$0.045 per CDI to raise up to \$3.969 million (before costs) (**Placement**).

On 4 March 2025, the Company issued 88,199,937 Placement CDIs to the Placement Participants pursuant to the Company's placement capacity under Listing Rule 7.1.

On 4 March 2025, the Company also issued 1,000 CDIs (**Cleansing CDIs**) on the same terms as the Placement CDIs pursuant to a cleansing prospectus lodged with the ASIC and the ASX on 28 February 2025 (**Cleansing Prospectus**). The primary purpose of the Cleansing Prospectus was to remove any trading restrictions that may have attached to CDIs issued by the Company without disclosure under Chapter 6D of the Corporations Act on or prior to the closing date (including prior to the date of the Cleansing Prospectus).

The funds from the Placement were applied towards:

- (a) expanding the 2025 Phase 3 Drilling Program at the Company's Oval Cu-Ni Project;
- (b) undertaking further evaluation and exploration activities at the Company's other projects including the Copper Ridge Cu-Au Project; and
- (c) the Placement costs and general working capital.

6.2 Joint Lead Managers

The Company engaged GBA Capital Pty Ltd and Originate Capital Pty Ltd to act as joint lead managers to the Placement (**Joint Lead Managers**). In consideration for providing lead manager services, the Company agreed to pay / issue the Joint Lead Managers:

- (a) a capital raising fee equal to 6% of total proceeds raised under the Placement, in their respective proportions; and
- (b) subject to Shareholder approval pursuant to Resolution 7, 4.41 million unlisted Options each, exercisable at \$0.0675 each on or before the date that is three years from the date of issue (**Joint Lead Manager Options**).

Further details of the Placement are set out in the ASX announcement released on 24 February 2025.

7. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT CDIS

7.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 88,199,937 CDIs to the Placement Participants at an issue price of \$0.045 per CDI.

7.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively used up the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

7.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

7.5 Technical information required by Listing Rules 7.4 and 7.5

8. RESOLUTION 6 – RATIFICATION OF PRIOR ISSUE OF CLEANSING CDIS

8.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 1,000 CDIs issued under the Cleansing Prospectus.

8.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 7.2 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

8.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

8.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

9.1 General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of an aggregate of 8,820,000 Options in consideration for lead manager services provided by the Joint Lead Managers.

A summary of Listing Rule 7.1 is set out in Section 7.2 above.

The proposed issue falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

9.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with the issue. As a result, the Company will be required to satisfy the fee in cash, which would deplete the Company's cash reserves.

9.3 Technical information required by Listing Rule 7.3

10. RESOLUTION 8 – APPROVAL OF 7.1A MANDATE

10.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

A summary of Listing Rule 7.1 is set out in Section 7.2 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). As of the date of this Notice, the Company's market capitalisation is less than \$300,000,000 and is not included in the S&P/ASX 300 Index. The Company is therefore an Eligible Entity.

10.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

10.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS

	<p>date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.</p> <p>6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.</p> <p>7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.</p> <p>8. The 10% voting dilution reflects the aggregate percentage dilution against the issued capital at the time of issue. This is why the voting dilution is shown in each example as 10%.</p> <p>9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.</p> <p>Shareholders should note that there is a risk that:</p> <p>(a) the market price for the Company's CDIs may be significantly lower on the issue date than on the date of the Meeting; and</p> <p>(b) the CDIs may be issued at a price that is at a discount to the market price for those CDIs on the date of issue.</p>
Allocation policy under 7.1A Mandate	<p>The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.</p> <p>The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:</p> <p>(a) the purpose of the issue;</p> <p>(b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;</p> <p>(c) the effect of the issue of the Equity Securities on the control of the Company;</p> <p>(d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;</p> <p>(e) prevailing market conditions; and</p> <p>(f) advice from corporate, financial and broking advisers (if applicable).</p>
Previous approval under Listing Rule 7.1A.2	<p>The Company did not obtain approval under Listing Rule 7.1A.2 at its annual general meeting. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.</p>
Voting exclusion statement	<p>As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.</p>

Each CHESS Depositary Interest (CDI) is equivalent to one share of Company Common Stock, so that every 1 (one) CDI registered in your name at 5:00pm (WST) on Monday, 23 June 2025 entitles you to one vote.

You can vote by completing, signing and returning your CDI Voting Instruction Form. This form gives your voting instructions to CHESS Depositary Nominees Pty Ltd, which will vote the underlying shares on your behalf. You need to return the form no later than the time and date shown above to give CHESS Depositary Nominees Pty Ltd enough time to tabulate all CHESS Depositary Interest votes and to vote on the underlying shares.
